Conversations with My Daughter **Maybe you can call me...**

Unknown date and time; possibly Spring of 2006

T: Dad, When are you gone' die?

Dad: I'm not sure.

T: I hope you die when I'm 56, dad! I want to get married before you die.

Dad: I hope so too. I love to see you get married!

T: And I want you to take care of my kids when I go to work. Can you take care of my kids?

Dad: Sure. I'd love to.

T: I love you dad! You're a good daddy.

Dad: I love you more honey. You're a great daughter too.

T: Umm Dad, How old are you gone' be when I'm 56?

Dad: 95.

T: 95 years old? Dad, I want you to come back and visit me when you die.

Dad: Come back to visit you? I don't think that's possible honey.

T: I want you to come back and visit me!

Dad: Dead people don't come back to life.

T: Jesus did! Did Jesus come back to life dad?

Dad: Here we go again!

T: Maybe you can call me from heaven.

Dad: Call you? Heaven is not some business trip – you know! I won't take my phone with me.

T: If I go to heaven first

Dad: No. No. Stop talking about heaven and stuff like that.

T: You'd never know dad.

Dad: No. No. Stop it. You'd live a very happy life on earth. There is nothing nice in heaven.

Nobody goes to heaven only to return later.

T: Yes they do. Jesus did.

Dad: Who else do you know who came back from heaven?

T: No one! But I really want to know how heaven is! I want to know how it is there. I want to know the conditions in heaven.

Dad: Conditions? It's nicer here on earth.

Dad: Why do you think about this stuff so much?

T: I don't know dad. I just do.

T: Dad?

Dad: Yes dad?

T: Is God in heaven? Is he the king of heaven?

Dad: I really don't know much about this stuff.

T: I think he is.

Dad: Okay. I agree.

T: How about Jesus dad? Is he the king of heaven too?

Dad: I...

T: I think he is the Prince of heaven.

Dad: Prince of heaven! I've never heard that before. That's an original thought.

T: And, I think his mommy is the Queen of heaven. If Jesus is the king of heaven, then what is God dad?
